The 360° Solution to Manage and Grow Your Home Care Franchise

No more will paperwork nightmares, communication breakdowns, and compliance complexities hinder your business growth or make you compromise with the quality of care you provide. CareSmartz360's scalable all-in-one solution is crafted to meet your unique needs as a franchisor.

Key Benefits:

Collaboration Across Different Locations

- Oversee all locations from a central hub for efficient communication.
- Set standardized processes to maintain consistency of service delivery.
- CareSmartz360 single-handedly helps you manage scheduling, billing, payroll, and reporting.
- Tailor certain operational aspects to align with local demographics & cultural norms.

Train Caregivers In All Locations

- Learn2Care-an online training platform helps you to enhance your caregivers' skills while meeting compliance.
- Franchise owners can tailor training programs based on regulatory compliance and specialized care services.
- Tracking and assessment tools enable franchise owners and managers to monitor caregiver progress.
- Franchise owners can provide feedback & offer extra support or training as needed.

Centralized Franchise Operations Management

- Login from one account to quickly view all franchises' data.
- Access in-built communication tools & stay updated in real-time.
- Streamline operations, enhance client care, and optimize home care with our reporting and analytics feature.
- Use the billing & invoicing functionality to generate invoices, track payments, and manage billing cycles.

Compute Accurate Royalty Calculations

- CareSmartz360 fetches the sales numbers directly from your franchises' POS system.
- Stakeholders can quickly view rules that apply for a multi-unit franchise from a centralized solution.
- Generate automated royalty invoices based on imported or franchisee-entered sales data.
- Highlight areas of opportunity with key performance metric benchmarking.

44

We needed more than just software; we needed a strategic partner who understood the nuances of our industry.
